Unsalvageable Inventory (Any contaminated or damaged alcohol must be destroyed.)

- Unless you are an excise tax paying account, TABC will not require an accounting of your inventory. However, you should keep an accounting of inventory for sales or gross receipt tax and/or insurance claim purposes. Excise tax paying accounts will need to contact TABC's Excise Tax Division at excise.tax@tabc.texas.gov or (512) 206-3342.
- Take an inventory of the alcoholic beverages and contact local authorities and/or insurance company if applicable. Please discard of contaminated inventory in a **LAWFUL** and **SAFE** manner- (**NOT DOWN THE DRAIN OR IN A NEARBY GARBAGE BIN**). You may also contact the Texas Commission on Environmental Quality for assistance in the proper disposal of unsalvageable alcoholic beverages.
