## NOTICE TO HOLDERS OF TEXAS DISTILLER'S AND RECTIFIER'S PERMITS

RE: New Monthly Excise Tax Forms

As of January 1, 2016, holders of a Texas Distiller's and Rectifier's Permit need to use the new excise tax report Form C-212 dated 01-16. After feedback from the industry, the monthly tax report forms for the in-state distillers and rectifiers have been updated to reduce the additional details reported with regard to gallons dispersed. The new tax forms track the gallonage limitations set forth by the legislature to be reported on a monthly basis. Form C-212 itemizes distilled spirits sold to consumers for both on-premise and off-premise consumption. These dispersals are to be reported on the form on a monthly and "year-to-date" basis to track the total annual gallonage sold.

All reports and tax payments continue to be due on the 15th day of the month following each reporting period. Report forms are available on the TABC website at:

[http://www.tabc.state.tx.us/forms/excise\\_tax\\_reporting.asp](http://www.tabc.state.tx.us/forms/excise_tax_reporting.asp).

TABC Excise Tax personnel are available to assist you with any questions or concerns you may have. If you have questions about the new forms or the filing process, please feel free to contact the Excise Tax and Marketing Practices Division at 512-206-3342 or [excise.tax@tabc.texas.gov](mailto:excise.tax@tabc.texas.gov).

Sincerely,

Thomas Graham
