

NOTICE OF APPLICATION

 (Resident)

 (Resident's Address)

 (City, State and ZIP code)

As required by Sec. 11.393 and Sec. 61.382 of the Texas Alcoholic Beverage Code, this serves as notice that plans have been made for an original application to be submitted to the Texas Alcoholic Beverage Commission for a permit authorizing the retail sale or service of alcoholic beverages for on-premises consumption at a location that is within 300 feet of your residential property line.

Type of Permit/License Sought: Type of Business: _____

Trade Name of Business: _____

Address for which Permit/License is sought: _____

Applicant's Name: _____

Business entities list name and title of each officer or partner:

Officer/Partner Name	Title	Officer/Partner Name	Title

It is the policy of the Texas Alcoholic Beverage Commission to provide every interested person a full and fair opportunity to object to the issuance of an alcoholic beverage license or permit based grounds established under the Texas Alcoholic Beverage Code or other law.

Please review our [Application Protest Policy](#). If you would like to protest this application, complete a TABC [Protest Form](#) and e-mail to complaints@tabc.texas.gov with the subject line: "APPLICATION/RENEWAL PROTEST" or submit the form to your [local TABC office](#).

Be as detailed as possible when explaining your objection. You may attach documentation, specific facts and circumstances that substantiate the legal grounds of your objection. Examples of this documentation are as follows:

- Police or administrative violation records which indicate the applicant has not conducted business in keeping with the Texas Alcoholic Beverage Code or the laws of the State of Texas.
- Governmental records or certified documents that show, for example, that the applicant conducted business in a place or manner which was detrimental to the health, safety and welfare of the public.
- Texas Department of Public Safety traffic accident records that show the business location is in a dangerous traffic area.
